FIELD OF LIGHT STAR PASS
AN INTERNATIONALLY-RENOWNED MASTERPIECE

Field of Light illuminates. As far as the eye can see gentle rhythms of colour light up the desert. The critically acclaimed Field of Light Uluru by the internationally celebrated artist Bruce Munro is on display and due to popular demand, has now been extended indefinitely. The exhibition, aptly named Tili Wiru Tjuta Nyakutjaku or 'looking at lots of beautiful lights' in local Pitjantjatjara is Munro's largest work to date. Overwhelming in size, covering more than seven football fields, it invites immersion in its fantasy garden of 50,000 spindles of light, the stems breathing and swaying through a sympathetic desert spectrum of ochre, deep violet, blue and gentle white.

INCLUDES:

- Entrance to Field of Light exhibition
- Introduction by a host
- Outback style canapes
- Australian sparkling wine, beer and non-alcoholic beverages
- Self-guided walk through the illuminated Field of Light
- Panoramic view of Field of Light from dune top area
- Return coach transfers to the remote site from all hotels
